

Stage Makeup

1. Apply Eyeshadow Primer (optional)
This helps set the eyeshadow. Apply to the entire eyelid and underneath the eyebrow

2. Highlight with Base Color
Using lid brush, apply Base Color underneath the eyebrows and on the inner half of the eyelid

3. Add Shadow
Using lid brush, apply Crease color to the outer half of the eyelid, blending into the Base Color underneath the eyebrows.
Using crease brush, apply Lid color to the outer half of the eyelid, blending into Crease color.

4. Eyeliner
For Keiki Ballet and Ballet I/IA, use crease brush to apply Crease color along the lash line on the outer half of the eyelid.
For Ballet II and above, apply shadow first. Then, apply Black Eye Liner, also on the outer half of eye and following the lash line. Finish with a coat of mascara, starting at the base of the lashes

5. Blush
Using blush brush, apply blush with a sweep following the line of the cheekbone, traveling in an upwards diagonal away from the nose

6. Lipstick
Start in the middle of the lip and apply lipstick in an outwards direction
